### DUCK HUNTING IS POPULAR NOW

Two Men Bag 28—Some Say the "Ducks" Were "Mud Hens."

This is duck weather and local sportsmen are oiling up their guns in preparation for the "slaughter." Large flocks of geese flew over Columbia about 10 o'clock last night and many parties started out this morning for the river.

Ely Hill, E. H. Smith, J. M. Taylor, and Dr. A. W. Kampschmidt left this morning for the Missouri River. They have a camp on an island near Providence and will stay for a few days.

Duck stories are prevalent where ever one finds a group of men. Here is one they tell on two local men. It is reported that Joe Estes and Vance Vandiver went to Rocheport in search of some of the feathered tribe. On their return they reported that they had bagged 28, but inside information says that they were mud hens—not ducks.

### To Give High School Graduate Grades.

The Committee of Accredited Schools and Colleges of the University is preparing to send out to all accredited high schools of the state a report of the grades made by their graduates in their freshman and sophomore classes. This report will be made annually. This is being done in order that each school will know what its graduates are doing in the University.

### U. H. S. Moberly Game Postponed.

Threatening skies and a muddy field greeted F. D. Selbie and his University High School football team when they arrived at Moberly yesterday to meet the Moberly High School eleven. The game has been postponed indefinitely. Selbie says his charges are in good condition and anxious to get into action against Moberly at the first opportunity.

### Baltimore Hotel Changes Hands.

The Baltimore Hotel, one of the largest in Kansas City, was sold yesterday, by the Dean Hotel Company to Wallace N. Robinson of Tulsa, Okla. The terms were not made public.

## Women's and Misses'

## New Fall Suits and Coats

In the New Swagger Styles.

These Suits and coats are very much in vogue among fashionably gowned women—everywhere. The way they hug the neck, drape from the shoulders down, curve in at the sides and flare from the bottoms out, embodies them with a style that women call swagger. Especially when worn, does this swagger style manifest itself to the utmost. For it gives a sumptuousness and a refinement to the appearance of the wearer in a way that is delightfully attractive. Therefore, to the woman or miss who would like to raise her appearance above the level of that secured by the general run of suits and coats, we strongly recommend them to purchase one of these New Swagger Styles. In every popular material and color and in all sizes marked at attractively low prices.

### New Fall Silks, Dress Goods and Coatings

We have received many complete Fall lines of Dress Goods, Silks and Coatings for making up into beautiful Fall and Winter garments. To induce early buying many special values are offered. This is unusual, because in the beginning of the season the rule in many stores is to charge a premium on new goods.

### "M" Knit Garments For Boys and Girls.

We carry a complete line of "M" Knit Underwear for boys and girls. These garments are so well known to mothers everywhere that they buy them season after season.

"M" knit garments for children are made in Minneapolis—but they are called "M" for short. Their biggest feature is the tapes, which are so expertly placed that the garments cannot possibly sag. This also means much for the comfort and health of the kiddies. The prices for Vests 25c to 50c. Union Suit 25c to 75c.

## Westwood Autumn Sale

Believing there are many people who would like to buy a lot now and do their house planning through the winter, I have decided to on

**MONDAY, OCTOBER 30TH, 1916**

sell without reserve or "by-bid" (20) twenty of the finest and most beautiful building lots ever sold in Columbia. They are the very cream of beautiful Westwood and are located on Broadway, Glenwood Avenue and Stewart Road. I will also include in this sale two splendid, modern, well built residences, one a new black brick facing east on Glenwood Avenue which has large living room 16x30 feet, dining room, sun-parlor enclosed with glass and kitchen below, four nice bed rooms, bath and sleeping porch above, oak floors with white enameled woodwork and mahogany doors; modern in every respect with hot water heat; lot 80 by 286 feet. This house is just being completed.

The second house faces Stewart Road and practically the same description as the other except it is frame and has living porch in front instead of sun-parlor on the side. Lot 70 by 270. Both are elegant homes. This house is occupied by Mr. Miller Maughs.

I am aware of the fact that I am likely to take much less for these houses and lots than they are actually worth, but if you will use your good judgment and attend this sale my loss will be your gain. I say without the slightest hesitation that this is the best property ever offered in Columbia for whatever you see fit to give for it.

On account of the short afternoon the sale will begin promptly at 1 o'clock at the corner of Broadway and Glenwood Ave.

Terms: one-third cash; one-third in one year; balance as you like it at seven per cent.
